## Join today and help preserve our community's history for future generations.

For 55 years the Escondido History Center has shared Escondido's stories.

Did you know that we:

- Operate a museum open 5 afternoons per week
- Teach blacksmithing and wheelwright classes
- Conduct walking tours of historic Escondido
- Put on events including the Grape Day Festival and Parade
- Promote local history through presentations, publications, and websites
- Have a museum store with unique local merchandise
- Feature an original article on a local person, place or event in our newsletter
- Make over 8,000 photographs available for reproduction
- Work to revitalize Grape Day Park

Our mission is to collect, preserve, exhibit and interpret the history of Escondido.

Join today to receive our newsletter, invitations to Center events, a 10% discount in our museum store and, especially, the knowledge that you are preserving our community's history for today and tomorrow.

*As a non-profit organization, donations to the History Center are tax deductible to the extent allowed by law.*
